# ICELAND

## LAND OF FIRE + ICE

*It's the power of Icelandic nature to turn the ordinary into the extraordinary. A dip in a pool becomes a soak in a geothermal lagoon; a casual stroll can transform into a trek across a glittering glacier; and a quiet night may mean front-row seats to the aurora borealis' curtains of light, or the soft, pinkish hue of the midnight sun. No place on Earth seems so alien, but perhaps no place is as pure a showcase for our planet's most raw and active geological features as Iceland. It's indescribably beautiful.*

2  PEOPLE

5  NIGHTS AT 4 STAR HOTEL IN REYKJAVIK
